

February 1, 2011

TO: ALL Greenhouse users

FROM: Garry W. Pearson, Lead Greenhouse Manager

RE: Service Reduction Notification for Pot washing due to continuing budget reductions from the State of California.

Dear Greenhouse users,

Effective February 1, 2011 pot washing will be available only by recharge basis.

The list of pots and related supplies includes:

1,2,3,5, 10, 15 gallon containers, all sizes of bamboo stakes

All small containers such as 1,2,3,4 inch pots

Flats including all 1020 type containers and liners

Each greenhouse zone will have designated places for individual PI's to stack and store pots and related flats for washing. Upon request Greenhouse operations can supply contract labor or student help but only on a recharge basis. Additionally, Greenhouse operations can order pots and flats that are disposable in nature and charge your greenhouse account. Contract labor is charged on an hourly basis at \$12.87 per hour. Student hourly's range between \$8.50 and \$10.00 per hour. Please contact your zone manager for further details. Please see the list of zone managers below for additional details and storage areas.

West Campus-Garry Pearson, Ph: 2-2152

Core Greenhouses-Bob Starnes and Chris Durand. Ph:979-1796
